

Psyringae 2020

Scientific Committee

- Cindy Morris (Chair)
National Agricultural Research Institute,
Avignon, France. cindy.morris@inra.fr.
- Jim Alfano
University of Nebraska, Lincoln, Nebraska,
USA. jalfano2@unl.edu.
- Dawn Arnold
University of the West of England, Bristol,
UK. Dawn.Arnold@uwe.ac.uk.
- David Baltrus
University of Arizona, Tucson, Arizona, USA.
baltrus@email.arizona.edu.
- Carmen Beuzon
University of Malaga, Malaga, Spain.
cbl@uma.es.
- David Guttman
University of Toronto, Toronto, Ontario,
Canada. david.guttman@utoronto.ca.
- Yuki Ichinose
Okayama University, Okayama, Japan.
yuki@okayama-u.ac.jp.
- Emilia López Solanilla
Polytechnic University of Madrid, Madrid,
Spain. emilia.lopez@upm.es.
- Gail Preston
University of Oxford, Oxford, UK.
gail.preston@plants.ox.ac.uk.
- Marco Scortichini
Council for Agricultural Research and
Agricultural Economy Analysis, Rome, Italy.
marco.scortichini@crea.gov.it.
- George Sundin
Michigan State University, East Lansing,
Michigan, USA. sundin@msu.edu.

The 10th International *Pseudomonas syringae* Conference

June 15th to 19th, 2020

in Akureyri, Iceland

Ps2020 will be held at the University of Akureyri in northern Iceland in June, 2020. The conference will focus on current and future research on the pathogenicity, genomics, ecology, and molecular biology of *P. syringae* and related phytopathogens, including:

- Biology, Ecology, Genomics, Evolution and Interactions with Eukaryotes.
- Epidemiology and Management of the Diseases Caused by the *P. syringae* Complex.
- Role in Earth System Processes.

Follow us on Facebook or Twitter (@psyringae2020) for updates and announcements or contact the local organizer at mas@unak.is.
